CASIO ClassWiz just got even better...

The NEW Casio ClassWiz range

The UK's most popular scientific calculators, preferred by over 90% of schools, have been improved to offer students a better learning experience and teachers continuity and ease of use to encourage exploration of mathematics.

The new ClassWiz range continues to innovate and deliver features to improve teaching and learning while retaining familiarity with previous models to allow a seamless transition. Encourage learning and exploration with the new features such as the new menu and catalogue system and improved ergonomics.

CASIO[®] fx-83GT-CW

The nation's favorite scientific calculator is now even better! Improved specification, same price. Even greater value! A perfect match of functions to the current maths curriculums. Ease of use and an affordable price, the GT-CW range are the very best calculators you can offer your students. Supported by SOFTWARE EMULATORS, that are FREE OF CHARGE, GT-CW will enhance teaching and learning of mathematics at all levels.

Improvements include:

- natural maths display
- scrolling menu navigation
- simplified keys with main functions
- easy-to-use number formatting
- 4-tone input display with a new font
- keys that work pressed at any angle
- the clip-on cover

NEW!

MATHS BOX of apps including number line, coin toss and dice roll.

NEW ultra high definition screen giving unprecedented clarity.

New CATALOG to keep the keyboard clear.

fx-83GT-CW continues to offer more choice of colour and style than other calculators

DISCOVER THE NEW FEATURES OF THE NEW CLASSWIZ CALCULATORS

Boost your students' curiosity.

Simpler menu-driven interface

- Navigation controls at top of device
- Clearer keys for common functions
- Keep input between apps
- Catalogue feature to access logically nested advanced functions
- Clarity with an improved font

Easy to navigate

- Home and back keys
- Scrolling menus with OK select
- New keys for groups of functionality
- Fewer keys to simplify operation
- Faster processor

Improved ergonomics

- Textured grip
- Keys work at any press angle
- Clip-on cover
- Recyclable packaging

New CATALOG function.

Logically organises associated functions in scrolling menus to clear the keyboard. No key has more than two functions. Common to all CW models, from the FX83GT-CW to the FX991CW.

NEW Mathbox feature.

Apps including Number line, coin toss and dice roll for studying probability.

New functions include:

HCF (GCD), LCM
Recurring decimal (not FX991CW)

New display formats

Support

Casio's renowned support for teachers and pupils will be extended to help with the introduction of the new CW models and with the transition from the old GT-X versions.

CASIO fx-991CW CLASSWIZ

Successor to the popular FX991EX and the most advanced scientific calculator from GCSE through A Level.

The new ultra high definition screen and user friendly menu give your students easy access to the most sophisticated features.

- Simultaneous linear equations in 2-4 unknowns
- Matrices up to 4X4
- Probability distributions for normal, binomial and Poisson probability functions. Includes probability and cumulative probability distribution for all functions, and inverse normal distribution.
- 2nd–4th degree polynomials and inequalities
- Riemann integrals
- Enhanced Vector features offering the ability to show the angle between two vectors.
- Enhanced equation solver and a super-fast processor
- NEW! Simulations with Mathbox.
E.g. Dice app where students can predict answers to assist self learning. Includes dice roll, coin toss and number line apps.

A new, sleek design with a textured grip, newly designed keys and the clip-on protective cover, the FX991CW is the best choice to help you deliver your maths syllabus.

SAME DAY DESPATCH, EVERY DAY

Delivery will be made the same day as receipt of your order that may be placed in one of the following ways:

ORDERING BY EMAIL

School, pupil and personal orders are gratefully received.
Please email: sales@oxford-educational.co.uk

ORDERING BY PHONE 01869 344500 Direct to Sales!

No switchboards, no endless menu options, simply straight to a friendly and helpful person within seconds! We love to talk to our customers and we can often bring you right up-to-date with product and offers so call us anytime.

ORDERING BY POST

School orders are gratefully received.
Oxford Educational Supplies Limited,
Unit 19, Weston Business Park,
Weston on the Green, Bicester, Oxon OX25 3SX.

ORDERING ONLINE www.oxford-educational.co.uk www.studentcalculators.co.uk

Our on-line catalogue for use by teachers, purchasing departments, pupils and parents.

PAYMENT

All UK schools have an account with us! An invoice will be sent with goods for payment within 30 days. For private orders, please order on our secure website, we accept bank transfers and all major credit/debit cards except AMEX.

CARRIAGE

Carriage is free on orders over £250 ex VAT. Carriage will be charged to a maximum of £7.95 on orders of less than £250 ex VAT. Overseas, offshore UK, Highlands and BFPO deliveries carry a carriage surcharge. We will confirm costs before despatch.

CUSTOMER SERVICE

If you need any further information please call Customer Service on 01869 344500.

NO RETURN RETURNS POLICY!

For our many regular customers we will replace any faulty product with a brand new item without the need to return the faulty unit. Simply call us to report the problem and a new calculator will be with you within 24 hours. This scheme is designed to save teachers time and trouble on the rare occasion a fault occurs. For the few who are not regular customers, please return faulty product by Recorded Delivery with a brief letter stating the fault, when purchased and your contact details.

There is no change to our comprehensive 3 year exchange for new guarantee that covers all products. Our guarantee is 'no quibble'. If we cannot repair a product to your satisfaction within 48 hours of receipt we will replace it with a brand new equivalent. We would recommend that you use Recorded Delivery for all returns for your own protection. Please ensure that you enclose a brief letter stating your name and address and the reason for return. All trademarks are acknowledged as the property of their respective owners. E&OE

The Sub-Saharan Children's Hope Trust

Providing children in Sub-Saharan Africa with the tools to allow them to engage in maths education, enabling change and access to the opportunities they deserve. Currently working with Oxford Educational, the Trust is undertaking the most comprehensive support project in Zimbabwe's recent history, equipping all schools in the Nyanga district.

ECO PACKAGING - NO MORE PLASTIC!

We are delighted that all calculator manufacturers have stopped using plastics in their packaging.

All of our suppliers have made great efforts in creating more sustainable products:

- No more plastic "blister" style retail packaging,
- Only recyclable card and handbooks now mostly downloaded.
- Much smaller individual packs saving resources on transport. 50% reduction in volume and 25% reduction in weight.
- New courier - We've changed courier! DPD offer the most sustainable logistics solution and have committed to a 100% electric fleet by 2025.

Examination Approval

The majority of the calculators supplied by Oxford Educational Supplies are permitted for use in public examinations and assessments in the UK. The only exceptions are calculators that have in-built Computer Algebra System (CAS) capabilities. There are no such models shown in this catalogue. If in doubt, please call us or contact your awarding body.

The Joint Council for Qualifications (JCQ) produce the criteria for permitted use of calculators for the English awarding bodies. The Scottish Qualifications Authority (SQA) produces the criteria for permitted use of calculators for all National Qualifications in Scotland. The International Baccalaureate (IB) produces an approved list of graphic calculator models for their Standard and Higher Diploma programmes, available from us upon request or from the IB.

NEW PARTNER, EVEN BETTER SERVICE!

We continually strive to deliver a better experience for our customers and we are

delighted to announce our new logistics provider is DPD.

All deliveries are next-day and will now have a confirmed 1 hour time slot.
