

Celebrating 30 years' service to schools

Spring Term 2020

20:20 Vision!

Take a clear view of the future,
Go Graphic in 2020 and discover
the benefits of this engaging
technology.

**See page 6 for a special
teacher trial offer!**

CASIO® ClassWiz!

The scientific calculator range
designed for classroom use and
perfectly matched to all U.K.
maths curriculums.

See pages 2–4

Special Offer!

Oxford Ed Geometry Set in a tin
and "Bag o' Bits" exam set just
99p each when purchased with
any calculator!

See page 8

The Casio ClassWiz range

The UK's most popular scientific calculators, preferred by over 80% of schools.

CASIO fx-83GT-X and fx-85GT-X Solar

Introduced just one year ago, the GT-X models are already the nations' favourite! A perfect match of functions to the current maths curriculums and ease of use, all at an affordable price, the GT-X range are the very best calculators you can offer your students.

Functions unique to GT-X models include:

- Equivalent ratios
- Improved statistics – Quartiles
- Table of values for 2 functions rather than just a single function
- Statistics info now all shown on one screen

Σx	= 3.166666667
Σx^2	= 19
Σx^3	= 73
Σx^4	= 2.138888889
Σx^5	= 1.462494065
Σx^6	= 2.566666667

IMPORTANT: The default colour for us to ship is black. If you require blue and/or pink, please state clearly when ordering.

CASIO fx-83GT-X (state colour when ordering)

Quantity 1–39	Qty 40–99	Qty 100+
£8.95 (£10.74)	£8.49 (£10.19)	£8.33 (£10.00)

ORDER 28 FOR FREE DELIVERY

Setting the standard – designed for classroom use and perfectly matched to all U.K. maths curriculums.

Easy to Use

Using the latest ClassWiz technology, the fx-83GT-X and fx-85GT-X have an easy to navigate icon menu and display.

ClassWiz menus

Calculate

All numerical calculations are here!

The fx-83GT-X and fx-85GT-X use the same Casio logic as all previous models. Calculations are entered in a logical manner, shown in textbook style with a clear, hi-res display.

Statistics

Data are entered with or without a frequency table.

Natural Display

The new GT-X calculators have a much improved, high resolution screen, allowing Surds, fractions and recurring decimals to be shown in a natural, textbook style for easy interpretation.

Support

Casio are the only brand with a dedicated product division for calculator training and support within the UK.

The CASIO CLASSWIZ range

CASIO fx-991EX

Stunning design and a high-resolution screen delivers more information in a very clear manner, all in text book form! Algebraically perfect display with the very best definition of any scientific calculator, by a long way! Aids understanding by displaying answer to complex calculations such as solutions to quadratic, cubic or quartic polynomial inequalities, exactly as written, even with correct inequality symbols!

- Simultaneous linear equations in 2-4 unknowns
- Matrices up to 4x4
- Probability distributions for normal, binomial and Poisson probability functions. Includes probability and cumulative probability distribution for all functions, and inverse normal distribution.
- 2nd-4th degree polynomials and inequalities
- Riemann integrals
- Enhanced Vector features offering the ability to show the angle between two vectors.
- Enhanced equation solver and a super-fast processor

With its carbon fibre style case, metallic keys and advanced functions, the Casio fx-991EX is a pleasure to use and a joy to own!

Special offer!

Oxford Ed Geometry Set in a tin or exam ready Bag o' Bits just 99p when purchased with any calculator.

- Spreadsheets

Solve quadratic inequalities... even the tricky 2-branch solution

$$ax^2+bx+c > 0$$

$$1x^2 + 3x + 2 > 0$$

$$x < a, b < x$$

$$x < -2, -1 < x$$

Find the max/min of a function

$$\text{Min of } y = ax^2 + bx + c$$

$$x = -\frac{3}{2}$$

$$\text{Min of } y = ax^2 + bx + c$$

$$y = -\frac{1}{4}$$

Find the gradient using the numeric differentiation function

$$\frac{d}{dx}(x^3 - x) \Big|_{x=2}$$

$$11$$

Check the modulus of a vector

$$\text{Abs}(VctA)$$

$$5$$

TAKE A CLEAR VIEW OF THE FUTURE AND GO GRAPHIC IN 2020!

Prices in brackets include VAT.

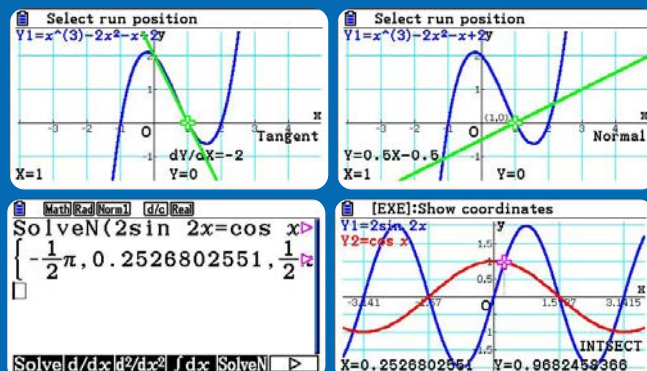

CASIO fx-CG50

A-level maths now has a greater emphasis on problem solving, modelling and reasoning. This means that students have to understand the mathematical concepts in depth and how they are linked. The Casio fx-CG50 aids understanding and enables problems to be addressed that would be impractical or inefficient to tackle without it.

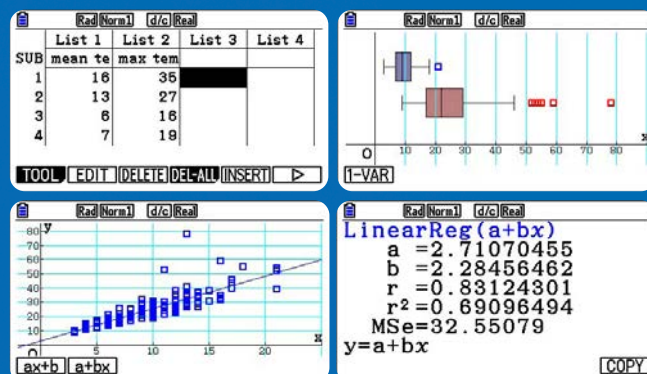

The powerful and easy-to-use CG50 puts the power of technology literally into the hands of students:

- an intuitive tool that enables visualisation of maths, helping students to form conceptual understanding and discover links
- powerful computation functionality beyond that found on even advanced scientific calculators
- fx-CG50 is available immediately – no laptops or computer rooms need to be booked
- fx-CG50 can be used in the exam – unlike any other technology
- Teacher support includes free training and free ready-made learning resources
- 3D graphing for Further Maths
- Approved for use in GCSE, AS/A Level, Standard Grade, Higher Grade and Advanced Higher Grade examinations and all IB courses and examinations.

Explore graphs. Solve equations. Link the graphs and equations.

Learn how to interpret data diagrams, and simplify calculation of statistics. Import and use the large data set.

Check answers in exams – even the graphical questions. This calculator is fully approved for use in exams.

TEACHER TRIAL PACK. If you are considering using the CG50 graphical calculator in your teaching, we are delighted to offer you a very special price on a single trial edition. This exclusive pack contains everything to get you started quickly and easily. It will allow you to discover new approaches to teaching mathematics in just a few minutes.

Each teacher package includes:

One Casio fx-CG50, the latest colour graphic and the most popular in the UK.

A 'Quick Start Guide' to get you using the calculator efficiently within a few minutes.

A 'Getting Started Guide' that builds upon your experience and addresses directly teaching of new A level topics using the fx-CG50.

Free classroom support including video resources, training and much more!

We have a very limited quantity of fx-CG50s for this offer so please respond promptly to avoid disappointment.

To take up the offer call now on **01869 344500** or email **sales@oxford-educational.co.uk**

We do not need a purchase order but if your school does you can email or telephone the order or order number to us.

IMPORTANT NOTE:

This offer is only available to bona-fide UK schools who have not purchased a trial pack or CG50 previously. Trial packs are not available on our website and must be ordered by school purchase order, email or phone.

IN-HOUSE LASER ENGRAVING SERVICE

Secure your school stocks of calculators by selecting one of the distinctive colours of calculator and then engrave with school name, department details or even sequential serial numbers.

THE COST IS VERY REASONABLE!

Since our calculator pricing can be as much as 20% lower than retailers such as Tesco, Sainsbury, Ryman's and W H Smith you can engrave the calculators purchased from us and the total cost will still be considerably less than retail price in most cases. (Tesco's fx-83GT-X price £10.83 + Vat at 05.12.19)

The benefits are:

Exam eligibility – Particularly in the case of graphics, JCQ and awarding body guidelines are confusing. Marking eligible models takes away any chance of error, either by pupil or invigilator.

Standardisation – Ensure all pupils have the appropriate technology by ordering centrally and marking calculators.

Economy from security! –

No more disputes of ownership where identical products are owned by school and pupils.

Ownership – Pupils will value a personalised item and take more care of it.

How to order:

We simply need to know your choice of calculator, where you would like the engraving and what you would like engraving, preferably in electronic form. This service is quick, simple and inexpensive. Please call now or mention engraving at the time of ordering it will take just a few minutes to arrange!

We love to speak to our customers so a quick phone call of 2 minutes to 01869 344500. Alternatively, an email or school order with print details attached is fine. Everything is done in-house so as not to affect our 24 hour delivery promise.

Prices in brackets include VAT.

CASIO fx-9860G-III NEW!!!

The latest in a successful line of Fx9860G calculators offering a solid introduction to advanced calculators and very suitable for mathematics A level studies. USB connection now allows quick and easy O/S updates, data transfer for uploading standardised lists and screen grabs for use in worksheets. Enhanced by a faster processor and a modern design, the fx9860G-III is the perfect introduction to graphing technology.

The fx-9860G-III features a natural, textbook display making it possible to display fractions, exponents, logarithms, surds, derivatives, integrals and sigma summation just as they are written in the textbook.

Functions include:

- Vector calculation (products, angle, magnitude)
- Geometry drawing
- Spreadsheet capability
- Statistical modelling
- Python programming language
- Examination mode

IB EXAM APPROVED.

Quantity 1-19
£63.50
(£76.20)

Quantity 20+
£61.50 (£73.80)

ORDER 4 FOR FREE DELIVERY

Make a smooth transition for your year 11's to 12 to experience the power of the graphic calculator.

The fx-9860G-III is compatible in operation to the fx-83GT and fx-85GT, and the NEW GT-X models with keystroke compatibility and intuitive textbook-style display.

**Trade up
to CG50?
What's extra?**

- Plot graphs with variable coefficients (great for studying transformations)
- Calculate integrals between roots and intersections of graphs
- Scales marked on axes
- Import data by drag and drop
- 3D graphing for further maths

**See pages
6 and 7
for full
details**

SAME DAY DESPATCH, EVERY DAY

Delivery will be made within 24 hours of receipt of your order that may be placed in one of the following ways:

ORDERING BY SNAIL MAIL

School and LEA orders are gratefully received.
Oxford Educational Supplies Limited,
Unit 19, Weston Business Park,
Weston on the Green, Bicester, Oxon OX25 3SX.

ORDERING BY PHONE

We love to talk to our customers and we can often bring you right up-to-date with product and offers. Please call **01869 344500** for direct connection to the best advisers in the calculator world!

ORDERING BY FAX

Send your order at any time to 01869 343654
24 hours a day, 7 days a week.

ORDERING ONLINE

www.oxford-educational.co.uk
www.studentcalculators.co.uk

Our on-line catalogue for use by teachers and schools.

PAYMENT

All UK schools have an account with us! An invoice will be sent with goods for payment within 30 days. For private orders we accept cheques, postal orders and all major credit/debit cards.

CARRIAGE

Carriage is free on orders over £250 ex VAT. Carriage will be charged to a maximum of £7.95 on orders of less than £250 ex VAT. Overseas, offshore UK, Highlands and BFPO deliveries carry a carriage surcharge. We will confirm costs before despatch.

CUSTOMER SERVICE

If you need any further information please call Customer Service on 01869 344500.

NO RETURN RETURNS POLICY!

For our many regular customers we will replace any faulty product with a brand new item without the need to return the faulty unit. Simply call us to report the problem and a new calculator will be with you within 24 hours. This new scheme is designed to save teachers time and trouble on the rare occasion a fault occurs. For the few who are not regular customers, please return faulty product by Recorded Delivery with a brief letter stating the fault, when purchased and your contact details.

There is no change to our comprehensive 3 year exchange for new guarantee that covers all products. In addition, our own brand OES model calculators carry a 5 year warranty. Our guarantee is 'no quibble'. If we cannot repair a product to your satisfaction within 48 hours of receipt we will replace it with a brand new equivalent. We would recommend that you use Recorded Delivery for all returns for your own protection. Please ensure that you enclose a brief letter stating your name and address and the reason for return.

The Sub-Saharan Children's Hope Trust

Providing children in Sub-Saharan Africa with the tools to allow them to engage in maths education, enabling change and access to the opportunities they deserve.

Currently working with Oxford Educational and Casio UK, the Trust is undertaking the most comprehensive support project in Zimbabwe's recent history, equipping all schools in the Nyanga district.

Find out more at <https://www.suchhope.org/>

SALE OR RETURN

Guidelines

This is a very simple scheme and we keep the rules as straightforward as possible! Please telephone your order to us stating that you would like 'Sale or Return'. Make a sensible estimate of your requirements and the goods will be despatched to arrive with you the following day.

We do not require a school purchase order at this stage. A provisional invoice and delivery note will arrive with the goods that you hold until the process has been completed. Do not submit this invoice for payment, it is just for information at this stage. The goods can stay with you for up to 30 days without obligation to purchase anything at all! Obviously, we hope you will purchase, and at the end of 30 days you may have sold everything. In this case simply submit the invoice for payment within the next 30 days. Therefore, the complete process can take 60 days, plenty of time and no pressure!

If you do have stock left over we can arrange collection by UPS at £9.95 + VAT per box or you may return small quantities by post. Please use Recorded Delivery, for your own protection. If initial estimates are sensible we rarely find a need for returns and additional stock can be with you very promptly so there is no need to over order.

Extended Credit

Receive the goods now and pay 60 days later. Combined with Sale or Return this is a very useful scheme for use at parent evenings for new intakes or for pupil offers.

Fix the price and ensure all current offers by booking now for delayed delivery on your specified date.

Examination Approval

All the calculators featured in this catalogue are permitted for use in public examinations and assessments in the UK.

The Joint Council for Qualifications (JCQ) produce the criteria for permitted use of calculators for the English awarding bodies. The Scottish Qualifications Authority (SQA) produces the criteria for permitted use of calculators for all National Qualifications in Scotland. The International Baccalaureate (IB) produces an approved list of graphic calculator models for their Standard and Higher Diploma programmes, available from us upon request or from the IB.

Absolutely everything we send is now sent by UPS, a trackable and quick service. Total efficiency of logistics is crucial to our customer satisfaction and we are delighted to work exclusively with UPS, the world's premier courier.
