The CASIO ClassWiz range

The CASIO ClassWiz range, the UK's most popular scientific calculators preferred by over 90% of schools, have been carefully developed to offer students a better learning experience and teachers ease of use to encourage exploration of mathematics.

CASIO fx-83GT-CW

A perfect match of functions to the current maths curriculums.

Ease of use and an affordable price, the FX83GT-CW is the very best calculator you can offer your students. Supported by SOFTWARE EMULATORS, that are FREE OF CHARGE, GT-CW will enhance teaching and learning of mathematics at all levels.

FREE EMULATORS FOR ALL CLASSWIZ MODELS!

Available here, free of charge

Every maths teacher can get their access code and use the emulator on any device and in any location! Registration is teacher specific, not device specific, giving you maximum flexibility in where you use the product.

When you have registered, simply log in online wherever you may be and on any device and the full ClassPad functionality will be available, including the emulator matching any of the new CW scientific calculator range.

To see full instructions on installation and to download your copy go to **www.studentcalculators.co.uk/cwemulator** or scan the QR code.

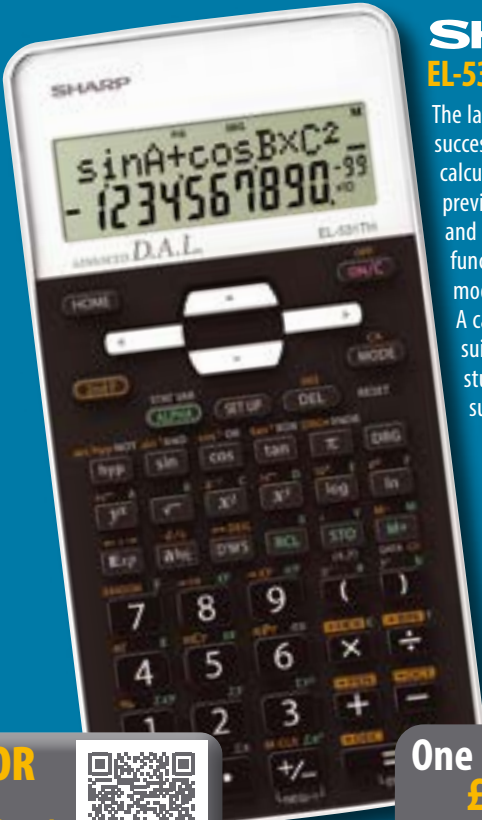

SCIENTIFIC CALCULATORS – PERFECT FROM YEAR 7 THROUGH GCSE.

Prices in brackets include VAT.

SHARP EL-W531TL WriteView

Continuing Sharp's tradition of quality and reliability, the EL-W531TL has functions ideally suited to GCSE maths studies. It displays fractions, square roots, surds and logarithms to any base including base powers, reciprocals, trigonometric ratios, hyperbolic functions, etc., just as they are written, in textbook layout. Additionally there are powerful statistical analysis features, random number generator and the ability to work in different base number arithmetic.

SHARP EL-531TH

The latest in a long and successful line of EL531 calculators. Replaces the previous models EL531W and EL531XB with identical functions and a more modern design. A calculator perfectly suited to GCSE maths studies and offering superb value for money!

AURORA AX-595TV

Displays expressions in a textbook format, as written or viewed. Factorial, permutations and combinations, random number generator, two-variable stats, function evaluation table and much more! LCM, GCD and quotient/remainder divisions. Robust design with hard keys and a slide on plastic case with a 3 year warranty.

OXFORD OES613

Features a two line display with recall and edit functionality and algebraically correct form of entry. A scrolling top line shows the complete expression whilst the solution is visible below.

Functions include:
Factorials, Permutations and combinations. Random number. Fractions. Polar/rectangular conversions. Stats with data editor. Two-variable regression analysis. Robust design with a hard slide-on case.

CASIO® fx-991CW CLASSWIZ

Successor to the popular FX991EX and the most advanced scientific calculator for use in GCSE through to A Level.

The new ultra high definition screen and user friendly menu give your students easy access to the most sophisticated features.

- Simultaneous linear equations in 2-4 unknowns
- Matrices up to 4x4
- Probability distributions for normal, binomial and Poisson probability functions. Includes probability and cumulative probability distribution for all functions, and inverse normal distribution.
- 2nd–4th degree polynomials and inequalities
- Riemann integrals
- Enhanced Vector features offering the ability to show the angle between two vectors.
- Enhanced equation solver and a super-fast processor
- NEW! Simulations with Mathbox.
E.g. Dice app where students can predict answers to assist self learning. Includes dice roll, coin toss and number line apps.

A new, sleek design with a textured grip, newly designed keys and the clip-on protective cover, the FX991CW is the best choice to help you deliver your maths syllabus.

ORDER 4 FOR FREE DELIVERY

CLICK HERE TO BUY NOW

The Casio fx-CG50 is an invaluable aid to help students understand the mathematical concepts in depth and how they are linked, enabling problems to be addressed that would be impractical or impossible to tackle without it.

- An intuitive tool to help students to form conceptual understanding
- Powerful computation functionality beyond that found on even advanced scientific calculators
- Personal, portable, and always ready for use.
- fx-CG50 can be used in all public exams – unlike any other type of technology
- Teacher support includes a free software emulator, free training, and free resources
- 3D graphing for Further Maths
- Approved for use in GCSE, AS/A Level, Standard Grade, Higher Grade and Advanced Higher Grade examinations and all IB courses and exams

Free of Charge Software Emulator Licenses:

Project a large facsimile of the fx-CG50 via your data projector and use on your IWB and Perfect for use in distance learning. Excellent for instruction on use, screen grabs for creating worksheets and following step-by-step calculations.

We are able to offer UK schools one year single or network licenses completely free of charge.

TEXAS INSTRUMENTS

TI30X-Pro MathPrint

An advanced, four-line scientific calculator, with A-level maths and science functionality, as an alternative to graphing technology.

- Four-line, hi definition display shows multiple calculations at the same time on screen
- Three solvers: numeric equation, polynomial and system of linear equations
- Display a defined function in a tabular form
- Determine the numeric derivative and integral for real functions
- Perform vectors and matrices using a vector and matrix entry window
- Paste inputs or outputs into new calculations
- Symbolic notation of π
- Toggle key to change the form of answers between exact and decimal approximation
- Fraction/decimal/percent conversions
- Switches fractions to decimal as a primary function.

Quantity 1–49 **£22.95** (£27.51)
Qty 50+ **£21.95** (£26.34)

TEXAS INSTRUMENTS

The TI-Nspire™ CX II-T

CLICK HERE TO BUY NOW
£102.95 (£123.54)

Create greater understanding of core concepts in mathematics with Nspire™ CX II-T has been developed through sound classroom research which shows that linked multiple representations are crucial in development of conceptual

understanding. Create simultaneous, dynamically linked representations of graphs, equations, data, and verbal explanations, such that a change in one representation is immediately reflected in the others.

Each TI-Nspire includes Student Software, enabling integration with existing classroom ICT infrastructure and projection systems to offer whole class teaching.

TEXAS INSTRUMENTS

TI-84 Plus CE-T Python Edition

CLICK HERE TO BUY NOW
£102.95 (£123.54)

This is a updated version in the TI84 family adds features and functions appropriate for our modern syllabuses. Features Python programming language and a host of new features and functions including:

- Draws 10 functions, 6 curves in parameter form, 6 curves in polar form and 3 recursively defined sequences
- Up to 10 functions can be defined, saved, drawn and analysed simultaneously
- 17 interactive zoom features
- Interactive analysis of function values, zeros, max values, min values, integrals and derivatives • 8 different graph styles make it easy to distinguish between the different graphs that are drawn simultaneously
- 3 statistical definitions for scatter charts, xy charts, histograms, common and modified box charts and normal distribution plots
- 15 probability distribution functions, including normal, Student-t, chi-square, binomial and
- 11 regression model calculations

And much more!

The full range of Texas accessories, including charging docks and software licenses are available.

Please email sales@oxford-educational.co.uk or call 01869 344500 for details.

PRE-PACKED EXAM PRODUCTS.

IN-HOUSE LASER ENGRAVING SERVICE WITH HIGH QUALITY AND FAST DELIVERY!

Over 300,000
calculators
engraved and
no price rise
since 2014!

Secure your school stocks of calculators by selecting one of the distinctive colours of calculator and then engrave with school name, department details or even sequential serial numbers.

For pupils, we can engrave individual names. Everything is done in-house so as not to affect our 24 hour delivery promise.

THE COST IS VERY REASONABLE!

Since our pricing is generally more than 20% lower than retailers such as Tesco, Sainsbury's, Ryman and WHSmith you can engrave the calculators purchased from us and the total cost will still be less than retail price in most cases.

The benefits are:

Exam eligibility – Particularly in the case of graphics, JCQ and awarding body guidelines are confusing! Marking eligible models takes away any chance of error, either by pupil or invigilator.

Logo and 2
lines of text on
the back

Just £1.50 +VAT per calc

ORDER CODE: LASER2

Standardisation – Ensure all pupils have the appropriate technology by ordering centrally and marking calculators.

Economy from security! – No more disputes of ownership where identical products are owned by school and pupils.

Ownership – Pupils will value a personalised item and take more care of it.

Serial numbering – We can sequentially number calculators if they are for your own stock allowing accurate inventory control.

School branding – Help to foster pride in your organisation and in mathematics by engraving your logo and department details.

Please note: Some logos do not reproduce well! We will advise suitability upon receipt of your instructions.

How to order:

We simply need to know your choice of calculator, where you would like the engraving and what you would like engraving, preferably in electronic form.

We love to speak to our customers so a quick 'phone call of 2 minutes to 01869 344500 is ideal. Alternatively, an email or school order with print details attached is fine.

WE ARE DETERMINED THAT THIS SERVICE WILL BE QUICK, SIMPLE AND INEXPENSIVE. PLEASE CALL NOW OR MENTION ENGRAVING AT THE TIME OF ORDERING IT WILL TAKE JUST A FEW MINUTES TO ARRANGE!

Up to 4 lines
of text that
can include
pupil names,
department,
serial number
etc.

SAME DAY DESPATCH, EVERY DAY

Despatch will be made the same day as receipt of your order that may be placed in one of the following ways:

ORDERING BY EMAIL

School, pupil and personal orders are gratefully received.
Please email: sales@oxford-educational.co.uk

ORDERING BY PHONE 01869 344500 Direct to Sales!

No switchboards, no endless menu options, simply straight to a friendly and helpful person within seconds! We love to talk to our customers and we can often bring you right up-to-date with product and offers so call us anytime.

ORDERING BY POST

School orders are gratefully received.
Oxford Educational Supplies Limited,
Unit 19, Weston Business Park,
Weston on the Green, Bicester, Oxon OX25 3SX.

ORDERING ONLINE www.oxford-educational.co.uk www.studentcalculators.co.uk

Our new design website, quick and easy to use by teachers, purchasing departments, pupils and parents.

PAYMENT

All UK schools have an account with us! An invoice will be sent with goods for payment within 30 days. For private orders, please order on our secure website, we accept bank transfers and all major credit/debit cards except AMEX.

CARRIAGE

Carriage is free on orders over £250 ex VAT. Carriage will be charged to a maximum of £7.95 on orders of less than £250 ex VAT. Overseas, offshore UK, Highlands and BFPO deliveries carry a carriage surcharge. We will confirm costs before despatch.

CUSTOMER SERVICE

If you need any further information please call Customer Service on 01869 344500.

NO RETURN RETURNS POLICY!

For our many regular customers we will replace any faulty product with a brand new item without the need to return the faulty unit. Simply call us to report the problem and a new calculator will be with you within 24 hours. This scheme is designed to save teachers time and trouble on the rare occasion a fault occurs. For the few who are not regular customers, please return faulty product by Recorded Delivery with a brief letter stating the fault, when purchased and your contact details.

There is no change to our comprehensive 3 year exchange for new guarantee that covers all products. Our guarantee is 'no quibble'. If we cannot repair a product to your satisfaction within 48 hours of receipt we will replace it with a brand new equivalent. We would recommend that you use Recorded Delivery for all returns for your own protection. Please ensure that you enclose a brief letter stating your name and address and the reason for return. All trademarks are acknowledged as the property of their respective owners. E&OE

10 years of financial support from Oxford Educational!

Forever Angels Family Homes provides interim care for orphaned and abandoned babies in Tanzania reuniting them with their relatives. Forever Angels cares for abandoned babies temporarily until biological relatives or a foster or adoptive family can be found.

Maisha Matters provides nutrition, emergency items, education, and business support so families can care for their own children and live independently.

www.foreverangels.org

SPECIAL SCHEMES FOR SCHOOL PURCHASES 2024

FORWARD ORDER: We will hold the physical stock exclusively for you and you can call it off when you need it with the price fixed.

SALE OR RETURN: Particularly suitable for offers to pupils or to have product available at parents evenings. Similar to forward ordering but with the added flexibility that you can return unsold stock.

It works like this...

Please telephone your order to us stating that you would like 'Sale or Return'.

Make a sensible estimate of your requirements and the goods will be despatched to arrive with you on your requested date (this can be immediately or many weeks in the future, for example, next term). We do not require a school purchase order at this stage.

A provisional invoice and delivery note will arrive with the goods that you hold until the process has been completed. Do not submit this invoice for payment, it is just for information at this stage. The goods can stay with you for up to 30 days without the obligation to purchase anything at all!

If at the end of 30 days you have sold everything simply submit the invoice for payment within the next 30 days. The complete process can take 60 days, plenty of time and no pressure!

If you do have stock left over, we can arrange collection by DPD at £9.95 + VAT per box or you may return small quantities by post. Please use Recorded Delivery for your own protection. If initial estimates are reasonably accurate we rarely find a need for returns and additional stock can be with you within 24 hours so there's no need to over order.

EXTENDED CREDIT: Receive the goods now and pay 60 days later. Combined with Sale or Return this is a very useful scheme for use at parent evenings for new intakes or for pupil offers. The price is fixed at the date of ordering and this can allow the acquisition to payment cycle to be as long as a whole term!

ECO PACKAGING - NO MORE PLASTIC!

We are delighted that all calculator manufacturers have stopped using plastics in their outer packaging.

All of our suppliers have made great efforts in creating more sustainable products:

- No more plastic "blister" style retail packaging,
- Only recyclable card and handbooks now mostly downloaded.
- Much smaller individual packs saving resources on transport. 50% reduction in volume and 25% reduction in weight.
